

PRINGLE® Compliance Policies & Audit Procedures— State Nonmember Banks (regulated by the FDIC)

PRINGLE Compliance Policies & Audit Procedures is an electronic documentation resource providing an effective means to set up and maintain a comprehensive set of compliance policies and audit procedures. It contains all of the policies and procedures necessary to meet the requirements of a federal compliance exam.

PRINGLE Compliance Policies & Audit Procedures offers:

- Ready-to-use policies and audit procedures—right out of the box.
- Simple, easy-to-follow format to conveniently review applicable regulatory requirements.
- Delivery on CD-ROM.
- Software compatibility with Microsoft® Word for Windows®.
- Instructional tools (for the board of directors and compliance officers) to assist in implementation.
- Operations manual for easy reference.

How you can benefit from using PRINGLE Compliance Policies & Audit Procedures:

- You'll receive comprehensive information on the areas of law expected to be covered in a federal compliance exam as regulated by the Federal Deposit Insurance Corporation (FDIC).
- You'll save time researching and developing policies.
- You'll have immediate access to policies, procedures, and legal citations.
- You'll receive regular updates to keep your documentation current.
- You'll receive valuable audit check lists to help you verify compliance.
- You'll receive periodic informational newsletters; toll-free software and legal support; and optional implementation, training, and auditing assistance (this optional assistance is priced separately).
